

Sand Springs Country Club has reopened golf with the understanding that all staff and guests practice safe "social distancing" and eliminate any nonessential interaction by implementing these policies.

Please follow these policies and steps we have put in place to make it a safer environment for all in our golfing community. We ask that if you feel sick, in any capacity or if you have been around anyone that is sick or even feels sick, that you stay home for the safety of other golfers and golf course staff.

During this heightened period, we will continue to monitor the recommendations by the CDC, local, state and national authorities and keep you updated if anything changes at the course. Please check our website and social media channels for updates. If you have any questions, 570-788-5845 ext.1
